

WORKSHOP

Clinical Pharmacology meets Neurogastroenterology

Chair: Anca Buzoianu, Dan L. Dumitrașcu

15 Oct 2010, 09-13h30

Multimedia Hall

Str. Babeș 8

Cluj-Napoca

Programme

09-09h20

Opening and Introduction

Part I

Chair: Marco Romano, Petru Mircea, Laurențiu Nedelcu

9h20-9h40

Vlaicu Șandor, Andreea Mirabela Pătrulescu, Cătălina E. Niculae,
Petru Orbai, Tibor L. Krausz (Cluj):
Protection by calcitonin in indomethacin-induced gastric ulceration in rats

9h40-10h00

H. Păunescu, Oana Andreia Coman, P. Dragomir, R. Voiosu, I. Fulga (București):
Novel insights on the implication of the cannabinoid system on the gastric physiology and
pathophysiology. Therapeutic potential in prevention of emesis

10h00-10h20

Marco Romano (Naples):
Sequential therapy for the eradication of *Helicobacter pylori* infection

10h20-10h40

Laurențiu Nedelcu (Brașov):
Efficiency of antispastic drugs in the irritable bowel syndrome

10h40-11h00

Corina Bocșan, Anca Buzoianu (Cluj):
The therapy of GERD in chronic respiratory diseases

11h00-11h20

Coffee break

Part II

Chair: Monica Acalovschi, Piero Portincasa, Luminița Stanciu

11h20-11h40

Piero Portincasa (Bari):
Clinical investigation of the liver mitochondrial function by a novel breath test

11h40-12h00

Laura Poantă, Dan L. Dumitrașcu (Cluj):
Therapy of gastroparesis

12h00-12h20

Cristina Hoşoleanu, R. Popp, Dan L. Dumitraşcu (Cluj):
Genetic polymorphism of SERT receptors

12h20-12h40

Simona Grad, Dan L. Dumitraşcu, Piero Portincasa (Cluj and Bari):
Inflammation: a pathogenic factor in the irritable bowel syndrome

12h40-13h00

Teodora Blaga-Surdea, Dan L. Dumitraşcu (Cluj):
Therapy of diarrhea in IBS

13h00-13h20

Luminița Stanciu (London):
What brings together celiac disease and COPD: pharmacological impact?

13h20-13h30

Conclusions and farewell

Organizing committee:

Mihai Porojan, Teodora Blaga-Surdea, Andreea Boca, Cosmin Grad

Sponsors:

Pfizer, Dr Reddy's
